Herrmannsmuehle

6. In late November, about 80 soldiers were observed at the Herrmannsmuehle Depot in the sawmill southwest of Finowfurth. Only little vehicular traffic was seen. No boxcars were sidetracked at the installation. 4 25X1
1. Comment. Gasoline containers of 20 liters each are reported for the first time. It is believed that the number of the containers is limited, or that the Soviets took them from former German stocks. 25X1
2. Comment. The tabulations show the supply traffic of the Fourth Gds Mecc Army. 25X1
3. Gds 25X1
4. Comment. The report confirms the installation as ration supply and clothing depot of the Fourth Gds Mecc Army. 25X1
